An opulent interpretation of the essence of a love story, set at the shores of the Okanagan Lake in British Columbia, Canada, in the romantic grounds of a vineyard.

FEATURE

Rich textures, colour and metallic accents with rose gold as the key hue, creates a modern & chic mood complemented with burgundy, champagne and blush palette.

The reception looks regal with lush greens, a towering boxwood backdrop trimmed by hand painted gold leaf greens, and a floral tablescape adorned with crystal candelabras and candlesticks. A custom designed flooring same as at the ceremony is the finishing touch of this elegant vineyard inspired setting.
